CULTURE IN HULL CITY CENTRE

Hull is a city that has often been overlooked but there is a lot more to Hull than meets the eye. Hull is a hub for exchange of ideas and free thinking, something that has been passed down from years gone by, just look at William Wilberforce (abolitionist) and Amy Johnson (Aviator).

Hull was awarded the City of Culture in 2017, an accolade awarded by the Department for Digital, Culture, Media and Sport every four years in the UK. This acted as a springboard for national attention and instilled a new sense of pride in the City's residents.

Hull hosts an annual award winning Freedom Festival, celebrating the life of Hull's most famous son, William Wilberforce. Typically held at the end of August, The city is filled with dance, street theatre, music and exhibitions.

Hull Truck Theatre label's itself as 'producing and presenting inspiring theatre that reflects the diversity of modern Britain'. A theatre created by Mike Bradwell in the late 1970's that has continued to foster the talents of many local and international actors.

The city is home to the impressive MKM stadium which opened it's doors to major league football and rugby in 2002. The multi purpose facility hosts many international sporting fixtures alongside huge sell out arena tours for artists including R.E.M, Elton John and Neil Diamond.

Connexin Live is the newest state of the art venue in the City. Since opening in 2018 the arena has hosted shows from van Morrison, The Courteeners and Kaiser Chiefs.
